MUNAU 2020: INVITATION

Dear MUN directors and delegates,

We are already planning MUNAU 2020 (six committees/councils, Security Council), and we would like to invite you to come to Augsburg in January 2020.

MUNAU 2020 will be our eighth conference.

- **Our aim is a multinational conference** (MUNAU 2019: delegates from Cyprus, Germany, Great Britain, Ireland, Netherlands, Russia, Switzerland) with **not more than eight to ten** delegates per school from as large a variety of countries and areas as possible.
- We have gained a lot of experience by attending MUN conferences for example in Alkmaar, Hamburg, Heidelberg, Luebeck or Prague.
- We will make every effort so that MUNAU 2020 can become a great success for everybody – experienced delegates and first-timers.

These are the details of MUNAU 2020:

- Venue: Maria-Ward-Gymnasium Augsburg (founded by two English ladies more than 350 years ago)
- Date: January 30, 2020 (8:30) – February 1, 2020 (15:30)
- Conference fee: 35 Euro (3 lunches, snacks, drinks, conference material, party admission fee)
- Average size of committees: 25
- Maximum number of delegates: 165 (limited by the size of our school building)
- Accommodation: host families (if desired), youth hostel, hotels
- Minimum age of participants: FIFTEEN, not younger
- MUNAU committee evening; MUNAU party
- MUN directors' lounge in the school library (the top floor)
- Free guided city tour through Augsburg (if desired);
- Munich tour possible for delegations that arrive a day earlier or leave one day later

Deadline for the Pre-Registration Form: September 15, 2019. Address: irmgard.kuenz@mwg-augsburg.de

Please understand that creating a diverse body of delegates, which reflects the idea of the UN with its 193 countries best, is more important to us than the order of pre-registrations.

We are already looking forward to meeting you (again) in Augsburg in 2020.

Kind regards

The MUNAU 2020 Organization Team
